## LIST OF INFORMATION

### **Our Club**

We are a community sports club, which aims to provide outdoor flat green bowls in Portishead and to provide facilities for it through the Association of Portishead Bowling Clubs, to which all our Club members belong. Among other things, the Association manages the facilities, including the Bar for its constituent clubs. There are four constituent clubs of the Association: Ourselves (PLBC), Portishead Bowling Club (PBC) men's club, the Royal British Legion Club (RBLBC) men's club and the RBL Ladies Bowling Club (RBLLBC).

We are affiliated to Bowls England and to the Somerset Bowls Association and their year books are to be found hanging below the notice board and anyone can read it. There is also an up-to-date rule book hanging below but it should not leave the clubhouse. World Bowls Laws can be found on the internet at [worldbowls.com](http://worldbowls.com)

### **Greens**

The two greens are used by all four clubs on a weekly rotation basis. Portishead Ladies share with the Legion Men and Portishead Men with the Legion Ladies. For casual roll-ups, play is on the green allocated to the ladies participating. If a player is not a member of one of the clubs, play must be on a public allocated rink – see the booking sheets which are in two folders on the reception desk. Rinks cannot be booked in advance, except for competitions, but it is easy to ring the club and ask if a rink is available, or look at the booking sheet in advance.

### **Notice Boards**

All important information is on the board in the small lounge – the left hand one (the other is the Legion Ladies) and another board is in the passage towards the toilets where all information regarding competitions is displayed. The Mixed Friendly board is in reception to the left of the changing room door.

### **Matches**

Every member is given a fixture list once they have paid their membership. On the fixture list it tells you whether a match is home or away. Every member is strongly encouraged to put their name down for possible selection for matches.

If the match has NSTL by the side it means it is a North Somerset triples league match, if it says WDL this is a Weston District triples league match (3 woods). If it says F, it is a friendly and usually four players per team. If it says MF, it is a mixed game usually four players per team (2

woods). The two latter are sometimes Triples and if so, will have a "T" by the number of rinks (i.e. 4T). Bowls must have PLBC stickers – obtainable from the Treasurer.

There is usually a raffle so you will need £1 for this.

All competitive games are played in white trousers or skirts and the blue club shirts and jackets. First rounds of some of the club competitions are played in grey trousers but this is indicated on the availability sheet in the blue folder. White tops may be worn for club mornings or President and Captain's day for Social members.

### **Blue Folder**

In this folder, which can be found hung on the club notice board in the small lounge, are the availability sheets. Members put their names down for matches, for which they are available and would like to play, and if an away match, whether they are willing to drive by ticking the column on the availability sheet. The Selection Committee uses these lists to pick the team.

Selection is usually done on a Monday and the team sheet is put on the board the following day. Members are expected to check to see if they have been picked and if so, tick their name to confirm to the Captain they have seen the list, are still able to play and acknowledge any allocated match duties. If for some reason they are unable to play they should phone the Captain ASAP. Under no circumstances should they cross their name off the list. If you have been picked for an away match you should check who is driving (which is shown on the team sheet) and should speak to the driver to arrange time and pick up (usually from the Club). Reserves are required to be available up until the game is due to start.

### **Mixed Matches**

Availability sheets for these matches are in the blue folder (as above). Selection for mixed matches is posted on the notice board in reception behind the door to the small lounge. Reserves are required to be available up until the game is due to start.

For mixed friendly games or tourist matches - it is the normal practice after the game to buy your opposition a drink. If you cannot stay you should buy the drink and explain to your opposite number that you cannot stay and apologise, you should also let the Captain know.

### **Tea Rota**

For friendlies and tourist games, the Tea Rota list is circulated on or shortly after the pre-season meeting and all members are expected to do a tea rota. This is usually tea and biscuits but occasionally cake will be provided. There are usually two people and the first named buys the milk (4 pints) and is reimbursed usually out of raffle money by the Captain or Treasurer on production of receipt. Biscuits are kept in locked cupboard in Committee Room (key in cupboard in reception). If you are unable to do your tea duty you must try to swap with someone and amend the list which is kept on the notice board.

### **Office Rota**

Sign up sheets will be available at the pre-season meeting and the rota distributed shortly after. All four clubs have to do office duty. This is manning the reception desk, answering the phone, hiring rinks to members of the public and recording fridge and freezer temperatures. Everything is explained in the Office Manual on the desk; or ask any Committee member.

If you are unable to do your duty, arrange to swap with another member and alter both the rota on our noticeboard and the small one to the right of the cupboard where score cards and jacks are kept in reception.

If you arrive for office duty in the morning and the green has not been opened you can contact the following keyholders:

Joy Murray - 842086 or mobile 07788216445  
Julie Swift - 817098 or mobile 07453571784  
Sue Tassell - 398865 or mobile 07821282697

**Special Days rota** – Members should contact the Catering Officer regarding the particular day they are allocated.

**Competitions** – See separate sheet.

## **The Association**

The four bowling clubs at Portishead – Portishead Men, Portishead Ladies, Royal British Legion Men and Royal British Legion Ladies (the "Poppies") – come under the umbrella of "The Association of Portishead Bowling Clubs", to which all playing members and social members automatically belong. The Association Committee is responsible for the day to day running and maintenance of the buildings and green. The Rules of the Association are on the noticeboard in reception (to the left as you enter the front door) and the AGM is held in February.

### **Treasurer**

The Treasurer deals with everything financial. She will buy the vouchers for the raffles and competition prizes on behalf of the Captain and Competition Secretary.

### **Captain**

The Captain is on the Selection Committee and captains all WDL matches and friendlies. She is responsible for the team sheets and has to check everyone has ticked their names off the day before a match. On match day, if a home league match, she buys the milk, puts the flag up and puts the water on for tea. She sits down with the opposition Captain to fill out scorecards and allocate rinks. She welcomes the opposite team at home games prior to start of match. She also has to keep records of who wins each game etc. and who plays.

### **Vice-Captain**

The Vice-Captain captains the NSTL matches and covers matches the Captain is unable to take. She is also on the Selection Committee. When captaining games, she does what the Captain does as above.

### **Mixed Friendly Captain**

The Mixed Friendly Captain captains the mixed friendly games that the Ladies are hosting. She can attend selection and then meets with the men's Captain to select the team. There are about 9 mixed friendly matches per year.

### **Fixture Secretary**

The Fixture Secretary arranges the seasons matches with other clubs, liaises with Portishead Men's fixture secretary regarding mixed games. She attends a pre-season meeting with the three other fixture secretaries to make sure the greens are allocated for the matches etc.

### **Competition Secretary**

After the pre-season meeting, the Competition Secretary compiles a list of competitions and those taking part in each competition. With another member of the Committee, she carries out the draw and writes up competition sheets, which should be available by the beginning of May. She keeps the score cards and marks up the results. The Two Wood and Vets Two Wood Pairs are entered and drawn later in the season and she is responsible for organising these. The Friendship Cup is organised with the Legion Ladies Competition Secretary.

She liaises with Assistant Secretary and Catering Officer to arrange catering for the competitions played on set days. She organises the Mixed Pairs Competition with the Men's Competition Secretary. She runs the Finals Day jointly with the Men's Competition Secretary.

### **Catering Officer**

The Catering Officer ensures that the Club has a supply of biscuits, tea and coffee for competitions. If any occasion requires catering i.e. Triples Day or a visiting touring side, she organises the catering team that has been allocated. She has to decide what food is required and then do the shopping.

### **Welfare and General Member**

The Welfare and General Member keeps in touch with members who are ill and sends flowers or a gift plus a card. She keeps the stock of Club's shirts and jackets, deals with issuing these to members and ordering new stock as and when necessary. She also helps new members should they need assistance.

### **Safeguarding Officer**

The Safeguarding Officer is the first point of contact within the club for any issue concerning safeguarding of participants, poor practice and potential of alleged abuse within or outside the sport.

### **Social Media and Website Officer**
